On The Path Toward Spiritual Enlightenment

The Ladder Of Achievement

Every worthy devotee of **The Ancient Mystic Order Of Melchizedek** reaches a point in his or her studies where they enter for the first time into the portals of Inner Knowledge. You, Kosmosan, have now reached that point, thus far, you have done excellent in your studies, and so I am happy to announce that you are one of those honorable students who have earned the right to ascend that spiral spiritual staircase which leads one into the Mysteries of Life. Mysteries wherein one is bathed, that he may acquire right wisdom of the Universe.

Your three degrees were: 1st degree is **Islamism**, 2nd degree **Christism**, and the 3rd degree is **Judiasm**. This is the three "**Ism**" that equals knowledge = person, wisdom = places, understanding = things

Supreme Beings Anunnaqi Eloheem... Guardians Of The Mysteries!

Firstly, loving devotee, you will, learn that the mysteries of life were guarded by Supreme Beings; of whom I spoke Of in lesson 1, study 3. Beings who existed over 76 trillion years before humans were created on this planet **TIAMAT**, or Qi.

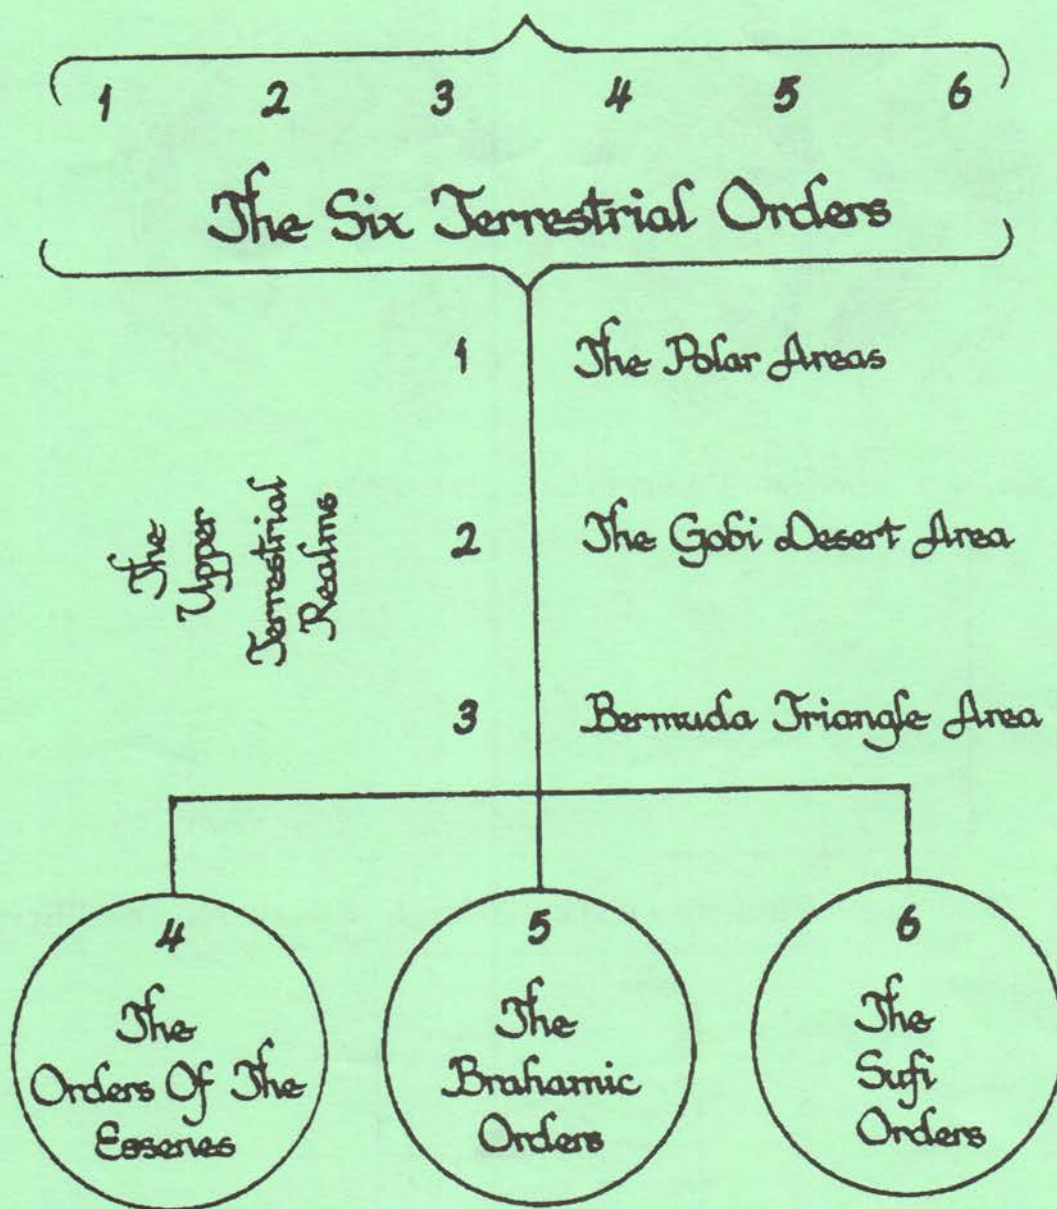

ANU, the Omnipotent force of the universe, as you learned previously, endowed these **SUPREME BEINGS** with knowledge far greater than that of the average man; knowledge which he would one day command them to shower upon a chosen few mortals, mortals who would in turn become masters of their fellowmen, thereby helping to guide them back toward the path of purity and righteousness.

The **ANUNNAQI** also called **Elders, Essenes, The Majestic Ones, And Giants**, because of their knowledge, belonged to orders which uphold and protect the Mysteries of the Universe. the highest order was the **Zodogites** (A 0 A 0 0 R B v S) the preist order of zodoq. **What are the Mysteries?** The Mysteries are the truth of life and death, heaven and hell, agreeable and disagreeable, the soul and the spirit; They are the Mysteries of the seen and the unseen;...truth far better than magic and more revealing than dreams, Mysteries well hidden through time from fame seeking charlatans and fortune seeking magicians. Truth which is desired by everyone, for out of the various types of knowledge available to the acquiring mind, the Mysteries were the most sought.

There were twelve Orders to which the Supreme Beings belonged. Six were **Celestial Orders** and six were **Terrestrial Orders**. The six **Celestial Orders** uphold the greater Mysteries of life. Its guardians work from the higher realms of existence, the etheric realm, and they never manifest into the physical realm. Only the most devoted of the adepts became aware of the spiritual presence by way of signs that the guardian of the six **Terrestrial Orders** revealed to them.

Most people are not aware of the existence of **Celestial Orders**, thus they speak of the **Terrestrial Orders**, as if they were the **Celestial Orders**, however they are not.

The Twelve Orders

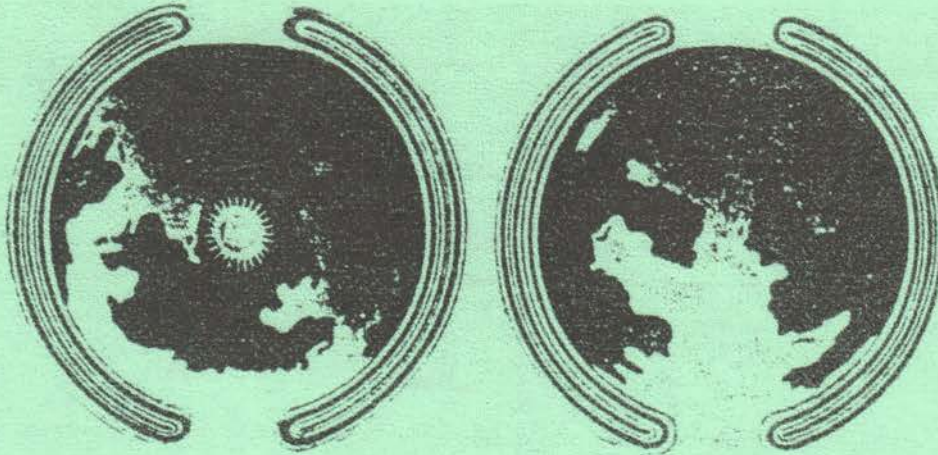

The Six Terrestrial Order

The six Terrestrial Orders uphold the **Lesser Mysteries** of life and it is by way of the secrets of the greater mysteries of life that the lesser mysteries of life can be revealed ... and life and death have its Greater and Lesser Mysteries.

The six Terrestrial Orders are divided into two groups. The first group of three are orders which have taken up a secret abodes in the Earth.

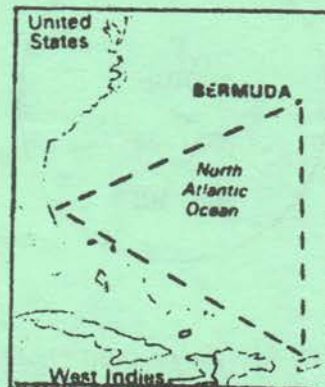

1. The First Is **The Center Of The Earth**. Its Entrance In The North And South Poles.

2. The Second Is **The Gobi Desert** In East Central Asia.

3. The Third Is The Bottom Of **The Triangle** Known As The "Bermuda Triangle".

Warning: although I am telling you the regions where the secret abodes of the Terrestrial Orders rests, these areas are not their exact locations, thus I caution you not to try to locate them. The doors of these orders are paralleled to the black holes of outer space, portals of an unseen frontier Which Can Be...dangerous or safe depending upon who is knocking on them. I will provide a deeper overstanding on these Terrestrial Orders in later studies.

The Essenes

The second group of three Orders out of the six Terrestrial Orders are the orders which reveal the most to men. They are the Order Of **The Essenes**, **The Brahamic Orders** And **The Sufi Or Mystic Orders**.

You may know **The Essenes** by some of their chapters. Chapters such as **The Magi Of Persia**, **The Ancient Egyptian**, **The Original Masonics** under Master High Priest Zodoq Appointed By Master Solomon Over The Temple, **The Lamas In Tibet**, and **The Faqirs** in certain parts of the world.

The Essenes based their teaching on what they were taught by the **ANUNNAKI ELOHEEM**. They stayed in tune with the masters of old and the etheric world. The **Essenes** isolated themselves and observed a strict code of discipline and ritual purity. They were a close knitted family who raised their children as righteous people. They lived in the Jordan area, in the Wilderness Of Judea, where the Dead Sea Scrolls were found. Master **Yashua (Jesus)** was of this order under Master Yuhaana, John the Baptist who later entered the high order of melchizedek

Upon excavation between the years 1951 A.D. and 1956 A.D. Archaeologist found proof of these close-knit families and communities between the oasis of Jethro, Masada, And Qumran. The Dead Sea Scrolls were found in a cave in Qumran in the year 1947. The Dead Sea Scrolls contain Biblical material which were rewritten, imitated, and expanded in stories, commentaries, hymns, psalms, blessings, prayers, exhortations to wisdom, and elaborations of biblical law. These scrolls also contain several types of religious literature, including many parts of the Old Testament in Hebrew, Greek translation, and Aramaic paraphrase (Targum).

The Dead Sea Scrolls

The Brahamic Orders

The Brahamic Symbol

You may recognize the work of the **Brahamic Orders** by the names of some of its graduates. Graduates such as **Buddah**, **Confucius**, **Zoroaster**, And all the "TRUE" great Swamies and Gurus.

The Mystics

The Ancient Mystic Orders have many subchapters. Some of them are **The Faithful Ones, The Trusted Ones, And The Pure Ones**. From these orders graduated men whom you may know as: Master Abraham, Master Ezekiel, Master John, and the Orders Of Master Muhammad's times such as; **The Upright Ones, The Endowed Ones, The Peaceful Ones, And The Secluded Ones**. From the order of Master Muhammad's time emerged scientists such as Al Jabbar, The Name Of Abu Musa Ja'far Al Sufi, Born In Khur'san, Iran, Al Kindi a Philosopher, Abu Yusuf Ya'qub Ibn Ishaq Al Kindi, Born In Iraq, 800 A.D., Died 870 A.D., Umar Khayyam A Poet And Mathematician, Born In Balkh, Afghanistan, 1207 A.D., Died In 1273 A.D., Al Faaraabi (Alfarabi) A Philosopher, Born In Turkey, Died In Syria In 954 A.D., Khalduwn (Ibn Kaldun) A Philosopher, Born In Tunis, Tunisia 1332 A.D. Died In 1406 A.D., and Al Jaahiz .(Al Jahizz) A Writer: The Name Of Abu' Osman 'Umar Bin Mahbub Kana'ana; Born In Basra, Iraq 776 A.D., Died In 868 A.D.

All the Orders of The Terrestrial Orders are loyal to the six Celestial Orders and they in turn are guarded by **MELCHIZEDEK**, who resides over them. **MELCHIZEDEK** as you have learned, is the greatest master of all masters. He was born of neither mother or father and manifested long before the establishment of the Mystery Schools here on the planet **TIAMAT**.

He, **Melchizedek**, has been gifted by the Omnipotent with a glowing force which radiates forth as a green aura. A Healing **Green Essence** that embraces us and causes us to reach out to you, thereby showering you with love. It is he who guides and strengthens me that I may be able to help you along the way. He dedicates his time to the Mystic order of **A.M.O.M.** and is Not associated with any other spiritual schools or organizations here in the west.

All orders of the Terrestrial and the Celestial orders are stars of intellect to mortals. The guardians of these orders had students who are called the "**Sons Of Men**" and these beings have left behind stepping stones for you to follow. Stepping stones that will help you become the **ELOHEEM** that you once were.

Perhaps you are saying to yourself, "But these are the names of the men in the Scriptures, were they mystics?" The answer is yes. Master Moses (**Adonijah, Tobe**) and the others were in The Order Of Melchizedek (*Genesis 14:18, Hebrews 5:5-6, 10*).

"CALLED OF GOD AN HIGH PRIEST AFTER THE ORDER OF MELCHISEDEC."

However, Moses never reached the ranks of High Priest because he failed the test of patience. Upon Failing this Test He forfeited the right to enter into the promise land.

Master Jesus On the other hand, Jesus did pass the test of patience and he, therefore, became a High Priest after the order of **Melchizedek** who in turn is a Priest Of The **MOST HIGH/ANU**, oversoul of the universes.

Master Solomon Was also a mystic who passed the test of patience. And Master Solomon passed a special test. A test which gave him the right to choose between all the wealth and wisdom in the world. He

of course, chose "Wisdom". And as result, was given the privilege of sitting with the high Echelons of the Mystical Order. Even the wind was made subservient to his call.

Master Ezekiel Was a medium. A mediator between the spiritual and the physical worlds. He was a prophet endowed with the power to see visions.

Master John Whom you may refer to as John The Baptist, was also an Essene, and not a wandering wild man of the desert. He lived with the Essenes outside of the city and learned many things. One of things he learned was the purification ritual called "**BAPTISM**". He later became a teacher and Baptized many people. The "Baptism" is symbolic of the purification of the mind and body.

Master Elijah Was also a mystic and a prophet of vision. He mastered Alchemy and learned the power of dematerialization. With time he himself dematerialized and communicated with the spiritual world just as Master Idris had done. Finally, as the bible relates, a small ship from the mothership called a Sham was sent to transport him to the Celestial state. This was symbolic of the power of the forces of nature and the ability to break the law of gravitation.

Master Jethro Who is known by some as Master Moses's father-in-law was a great mystic and high priest. His angelic name is Reuel, and he was a member of the order of the Essenes. With vast insight he allowed the Master Moses to see the many laws and ordinances of the Kosmos that go unnoticed by mortal eyes. He also gave Master Moses one of his sons so that he may help him and keep him guided on the mystical path.

What these mystics were able to accomplish in their lives; what they do for their friends and members of their families; how they are able to utilize the forces of nature to do their bidding and how they amazed the people of their time is the reason why today there are legends about, quote-unquote, "**The Ancient Miracle Workers**". To the uninitiated, to those who were dwelling in ignorance and doubt, these sages and mystics appeared to be performing miracles. To those of the Mystery schools, however, who were aware, these demonstrations were not magical processes, but rather, the simple applications of a knowledge by which many can direct the laws of nature and the faculties of his own being.

The disciple with whom you are probably the most familiar with is Master Jesus, whose Angelic name was Emmanuel who has a egyptian name **Horus** and sumerian name **Tammuz**, therefore, I would like to expound briefly on the misoverstandings that developed as he endeavored to bring the light of the truth to the minds of men.

Master Jesus was himself a student of the **Mysteries Of Life**. He was a diligent student who applied himself unrelentlessly to his studies and who ultimately became a Mystic and acquired many powers. Powers which were uncommon in his days however, lies dormant in each individual waiting to be nurtured.

When Master Jesus's time came to go forth and teach, he fell subject to much persecution because the people who he tried to teach were very narrow minded. Their inner senses were closed and as a result Master Jesus's teachings were misinterpreted, and misunderstood. He was laughed at and mocked.

When he executed his powers of healing, etc., it was said that he was performing miracles and that he was a "God". Little did they realize, however, that what they thought were miracles were not miracles at all, but the simple applications of the mind, An art which they too could have acquired, if they had only listened and learned. So persecuted was the Master Jesus that he had to leave before his mission was completed, and after he left very few of the esoteric teachings remained the same.

Although there were some disciples and faithful adherents who remained loyal to Master Jesus's teachings, there were others, like a mortal named Paul, who misconstrued his teachings and as a result a whole new religion was founded based upon what they thought Master Jesus came to teach.

Eventually, there came into existence many different religions. They called Master Jesus "God", and although he was a God, for his mission was to save a nation of people, he was not the omnipotent, the maker, and the provider of the universe as many think.

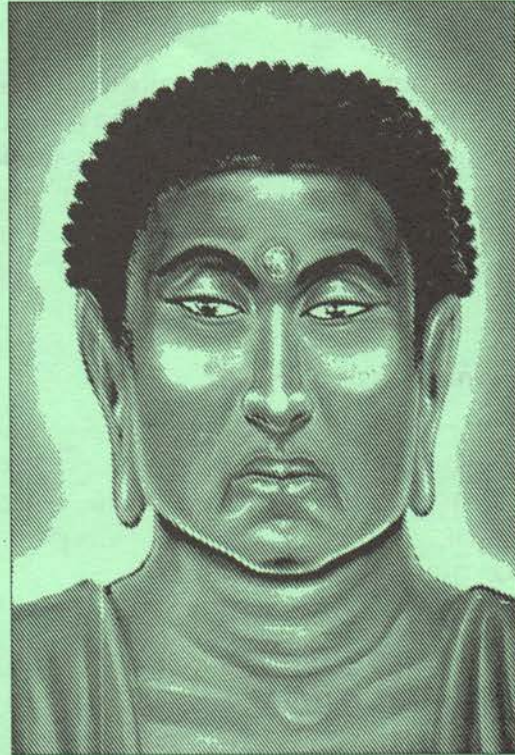

He was a teacher sent to instruct a people who had gone astray. Master Jesus was deified but he was not the only one. **Buddah** was deified, **Confucius** was deified, **Zoroaster** was deified, **Muhammad** was deified, and so have many other leaders been deified.

An example of how things were distorted is the phrase, "**To Be Taken Up In A Twinkling Of An Eye**". This phrase was falsely translated by those who did not overstand about the transformations from the physical plane to the plane of force,

or the transfiguration of the physical body into the spiritual body, as the "Physical Resurrection From The Grave"

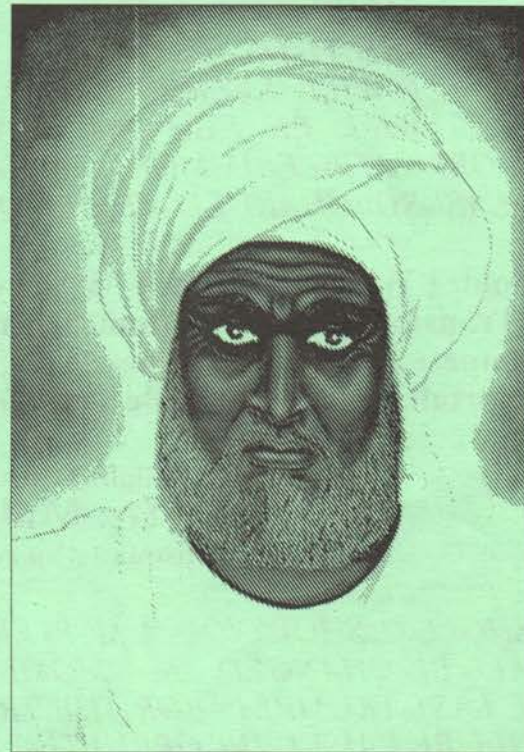

Confucius Deified

Buddah Deified

Zoroaster Deified

Muhammad Deified

However that is not what is meant at all, and consequently, those people who were blinded by faith believe and accepted this false doctrine without questions.

The term "**To Be Taken Up In A Twinkling Of An Eye**" means not to be taken up physically, that is to say "**bodily**", but rather, to be taken up "**spiritually**". Many people are unaware of this truth, and thus you have Christians who believe in the physical ascension. Muslim, say "Master Muhammad ascended bodily on the night of ascension", instead of spiritually; and Israelites say the same thing about Master Enoch, who walked with the **Omnipotent**; and Master Elijah who was taken in a sham.

What most people do not overstand is that the physical body cannot dwell on the spiritual realm, and so the bodies of these men had to dematerialize at a certain point during their journey so that they could continue their ascension in a spiritual form. Many years after the ascension of Master Jesus at the age of 120 years, full intensity was turned toward destroying Master Jesus's teachings and the source from which he gained inspiration, The Mystery Schools. The oppressors of the teachings were common people who laughed at Master Jesus and accused him of being possessed of the devil. The politicians looked at him in awe... afraid that he would disrupt the political stability they tried so hard to maintain, and the master minds and founders of Christianity who won the hearts of the people by combining the beliefs of the previous modes of worship with the faith that people had in Master Jesus.

Thus, the rulers of that time and their followers tried to destroy The Mystery Schools by propagating the new found religion of the people. Even the great libraries which housed information that could be found in the mystery schools were destroyed. Take for example, The Great Libraries Of Alexandria.

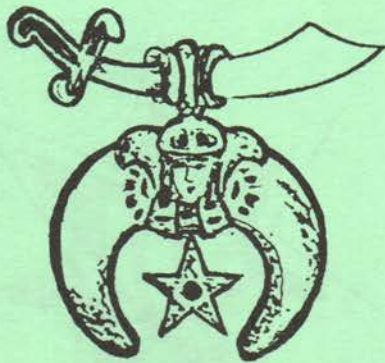

In the large and great city of Alexandria (as well as in Baghdad), there were great libraries which stored vast information regarding the *Ancient Kingdom Salaam* that was ruled by **Melchizedek**, and the knowledge that could be found in the Mystery Schools; Knowledge of the sciences, mathematics, technology, time calculations and medicine; knowledge which flourished unhampered until the destruction of the schools. But these tyrants were shrewd indeed, for so eager were they to succeed, that while in the process of destroying the schools and libraries, they incorporated what they wanted of the secret writings into their beliefs, and that in turn, brought about many false teachings.

The Library Of Alexandria

Having peeked into the Mysteries of life without the ability to overstand, these men interpreted the Mysteries according to how they received them and consequently, their interpretations gave rise to the many different types of symbols (which bears the art of the underworld) and emblems, rites and rituals that are found in Christianity today. Even some of the talismans and amulets of the Ancients were reproduced, degraded and used by entrepreneurs. As time went on, all types of denominations came into existence; Different factions of Christianity, false mystical societies, swamies, yogies, and false Mystic Orders, all whose practice accomplish one thing, **Deception**.

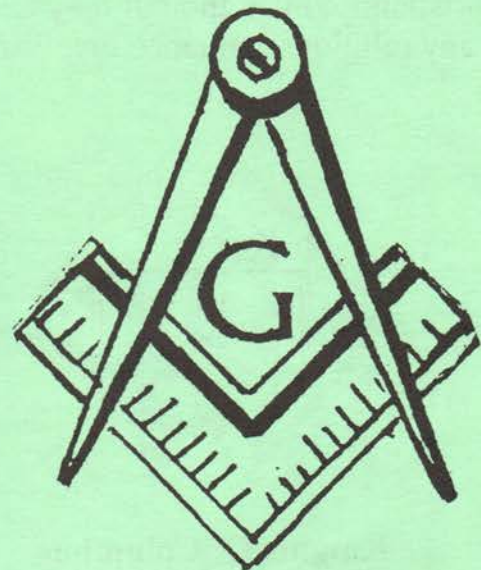

For Example:

Shiner Symbol

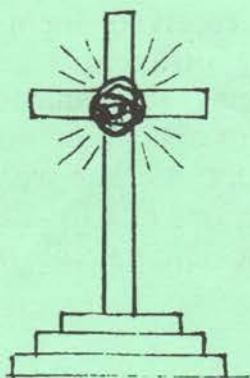

This fictitious mystic order **The Shriners** began exactly one hundred years before the opening of the seventh seal, **1970 A.D.** The Shriners began in the year **1870 A.D.** It was started by two men; a physician and a stage comedian. **Dr. Walter M. Fleming** concocted the shiner ritual which mocked the Muslim religion (Al Islaam) for the amusement of American Masons.

The origin of the Masonic order is uncertain. According to legend, Masonry goes back to the building of Master Solomon's temple. Some scholars say that freemasonry originated in the time of Master Moses. There are no facts that support neither of these views. The word **mason** originally means "*stone cutter; worker who builds or works with stone.*"

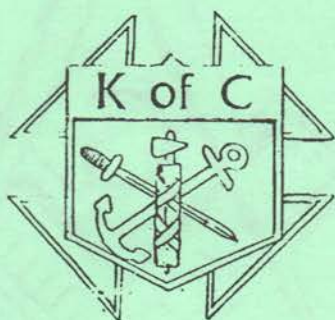

Masonic Symbol

These masons (free and accepted) are considered to be the ones that built the public buildings (like cathedrals) during the middle ages. Modern freemasonry began in crafts of guilds, of working masons during medieval time. There are no Ancient Mysteries to be revealed within this order even though they use egyptian names and symbols.

**Rosicrucians**

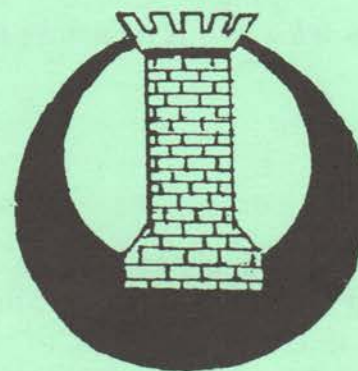

Astara is a very interesting section of the brotherhood. Astara is similar to the Rosicrucian orders, but it is about thirty-five years younger. It deals with mysticism, karma, and other forbidden philosophies, the same as the Rosicrucian Orders. What is so striking about Astara is that its mysticism is coupled with Christianity; even though they deny there is any religious influence involved.

**Astara**

Knights Of Columbus

The **Alhambra** is a Catholic Organization. It is patterned after the Shriner and accepts membership from third and fourth degree **Knights Of Columbus**. Since it isn't sanctioned by the Knights Of Columbus, it is not a very large order.

The Knights Of Columbus was founded by a twenty-nine year old Catholic priest for men. The Catholic Secret Society would have the social benefit of Freemasonry, but would also have the protection of insurance.

**Alhambra Symbol**

The Order Of The Illuminati

The **Illuminati** has actually existed since the babylonian empire, where **Babylonian Mysticism** was called **Illuminism**. According to the Encyclopedia Americana on page 698: Illuminati is a name taken or given to various groups of individuals existing during the past 2,000 years who believed in and taught a doctrine of **Illumination** Or "**Inner Light**" (Illuminism). The word **Illuminati** has a similar definition as **Lucifer** which means: "**bearer of the light**" or "**being of extraordinary brilliance**", hence it has the meaning "**holders of light.**" The name **Illuminati** was given to certain mystical schools that taught Babylonian Mysticism. During that time, the person who was initiated into these mystery schools were called "**Illuminated.**"

Eventually, however, people began to realize that they were being misled; and so the desire for those things, which invite the spirits and soul to be truthful to itself, as well as the desire for the mysteries, were rekindled. The inner eye was reopened and the truth was sought once again by those who had received the light of the word.

As the seeker progressed in a spiritual overstanding, his awareness reached out to the true significance of the mysteries of life; and in order to help those who sought the truth, the Omnipotent in his mercy, sent reformers as pillars of intellect, bearing torches of truth concerning the mysteries of the Universe.

Yes, the mystery schools, the edifices and libraries had been destroyed, just as they had been in Mu, the city of Salaam, Easter Island in the South Pacific, the schools of central and South America and elsewhere, but the knowledge remained, and so it will, always.

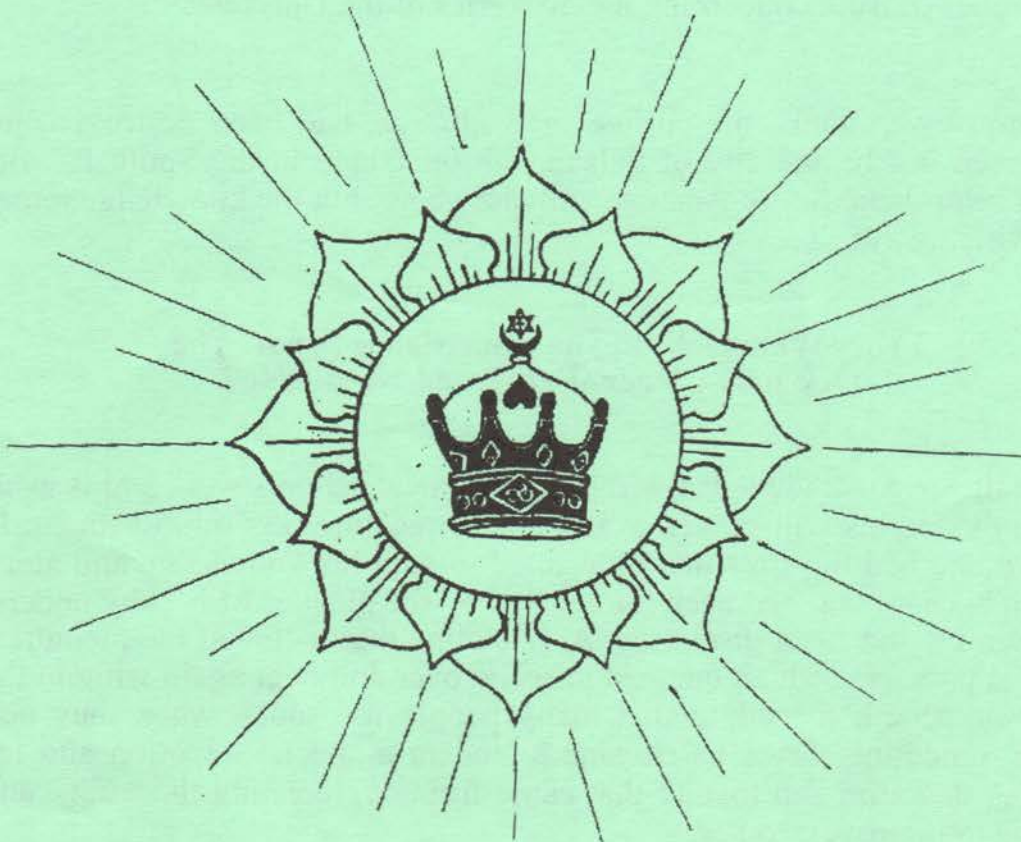

For Whom Was The Knowledge That The Mystical Order Preserved, Available?

The illustrious knowledge within the mystical schools were and is available to he who directs his will power so that he can acquire this improvement. In the days of old one had to prove that he wanted to gain his knowledge and along the way regain his soul that had been intoxicated by the niceties of life, by undergoing a rigid training and strict discipline. A discipline that included the memorization of countless passages, which one had to recite over and over again without the use of paper or pencil; a method that many people use today when they need to memorize something. Once he became a student a special devotion and loyalty unfolded. A devotion and loyalty that came from appreciating the truth, and not from trying to improve another.

Meditation Method For Kosmosans

In like manner, beloved kosmosan, you too will undergo a rigid training and strict discipline, which will enable you to grasp the studies that I present to you. A method by which you can accomplish this is to visualize what you read and absorb it. As you are reading, imagine that you hear my voice. Practice this each day and soon you will be able to refer to your memory and hear my voice and what you have read. If necessary, read your studies as many times as possible. Organize your thoughts as if they were in a great library, sectioning them in different aisles of your mind. Take each study and learn it by heart, avoiding the unrewarding build up of forgotten information. Attune your senses to the Kosmos and reach out to me, your guide. Let your mind enter upon the threshold of inner knowledge. The many trials that you will undergo in this training will place you a step further on the path of spiritual improvement as those masters of old who endured the many disciplines of the mystery schools.

Do not let external forces drive you away from your purpose. The stepping stones toward higher realms are before you...walk with me.
